WARRANT FOR THE ANNUAL TOWN MEETING

The State of New Hampshire

(L. S.)

To the Inhabitants of the Town of Boscawen in the county of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall, in said Boscawen, on Tuesday, the fourteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:*

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

a. Town Officers' Salaries.
b. Town Officers Expenses.
c. Election and Registration Expenses.
d. Expenses of Town Hall and other Town Buildings.
e. Police Department.
f. Fire Department.
g. Blister and Rust Control.
h. Spraying and Pruning.
i. Health Department, including District Nurse.
j. Vital Statistics.
k. Sewer Maintenance.
l. Rubbish Disposal.
m. Town Highway Maintenance and Bridges.
n. Street Lighting.
o. Sidewalk Maintenance.
p. Town Poor and Old Age Assistance.
q. Libraries.

r. Memorial Day and other Celebrations.
s. Cemeteries.
t. Interest on Loans.
p. Insurance Premiums.

3. To see if the Town will vote to raise and appropriate the sum of $393.28 for Town Road Aid, this sum to be matched by a State contribution of $1,573.12.

4. To see if the Town will vote to raise and appropriate the sum of $400.00 for Blister Rust Control.

5. To see if the Town will vote to raise and appropriate a sum not exceeding $193.00, (1/100th of one per cent of the Town's valuation based on the 1949 assessment) to the Merrimack Valley Association, for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with the other 37 communities in this Region, or act in relation thereto.

6. To see if the voters of the Town will authorize the Selectmen to borrow money in anticipation of taxes on short term notes for the year 1950, not to exceed $60,000.00.

7. To see if the Town will vote to raise and appropriate a sum of money to apply to the Concord Hospital deficit from operations, the amount not to exceed $850.00.

8. To see if the Town will vote to install an adequate sewerage system to properly serve the properties along the Daniel Webster Highway, from and to such points as may be determined by vote of the Town, and raise and appropriate money for the same.

9. To see if the Town will vote to give the Selectmen authority to transfer money from one appropriation to another.

10. To transact any other business which may legally come before said meeting.

(*) Business meeting for Appropriations ONLY, will be called at seven o'clock in the evening.

Given under our hands and seal, this 25th day of February in the year of our Lord nineteen hundred and fifty.

LAWRENCE A. YOUNG,
CLYDE G. FAIRBANKS,
LEWIS C. SHAW,
Selectmen of Boscawen.

A true copy of Warrant—Attest:

LAWRENCE A. YOUNG,
CLYDE G. FAIRBANKS,
LEWIS C. SHAW,
Selectmen of Boscawen.

AUDITORS' REPORT

We, the undersigned Auditors of Accounts of the Selectmen and Treasurer of the Town of Boscawen for the year 1949, report that we have examined the accounts and find the same properly vouched and correctly cast.

We have also examined the books of the Town Clerk, Tax Collector, Trustees of Trust Funds, Municipal Court and Library Treasurer, and find the same correct.

WALTER E. MARSHALL,
ALICE F. KENEVEL,
Auditors.

Bal. on hand all accts., Jan. 2, 1950		$161.42	$1,934.05

BOSCAWEN PUBLIC LIBRARY

The schedule at the Library maintains these hours the year around, namely—Tuesdays, 2:00 to 4:30 o'clock and 6:30 to 8:00 o'clock; Fridays, 2:00 to 4:30 o'clock. The Branch at Penacook—Mondays, 3:00 to 5:00 o'clock; Wednesdays, 3:00 to 5:00 o'clock and 6:00 to 8:00 o'clock.

During the school year the Branch is open at 2:30 on both Mondays and Wednesdays for the benefit of the children of the seventh and eight grades who come in by bus from Boscawen. The Bookmobile from the extension department of the State Library visits both the main Library and the Branch about once in two months. This has been very helpful but at present only children's books are brought, lack of funds making it impossible to continue with books for the adults.

No money was received from the Thornton Fund this year for the purchase of children's book for the Branch. This was sadly missed as the children are great readers. Collections of books are sent regularly to the Water Street school.

Both the Boscawen and Penacook Congregational Churches enrolled in the Congregational Christian Reading Contest and the Ezekiel Webster Grange was assisted with their reading club.

Mrs. Harold Goldsmith, the librarian, attended the two-day meeting of the New Hampshire Librarians' Association at Manchester in May. Many of these sessions were also attended by two of the trustees, Mrs. Glenn Hall and Mrs. Joseph Colby. Mrs. Robert Knowlton, assistant at the library, attended the N. H. Librarians' school at Franklin, N. H.

Circulation for the past year has been divided as follows: the Library: adult fiction, 1,791; adult non-fiction, 407;

juvenile fiction, 2,106; juvenile non-fiction, 292; magazines, 364. Branch: adult fiction, 2,962; adult non-fiction, 416; juvenile fiction, 2,096; juvenile non-fiction, 428; magazines, 508. This makes a total of 11,370 books and magazines, a loss of 423 over last year. Number of books catalogued, 420; number of gifts, 22; number purchased, 398. There was also a gift of 30 or more books requested to be kept at the Branch and not catalogued.

The trustees gratefully acknowledge the gifts of books and magazines from Mrs. Dorothy Sanborn, Mrs. Edith Lynch, Mrs. George C. Sumner, Mrs. Eddy Tandy, Mrs. George Putnam, Mrs. Mark Young, Mrs. Fred Butterworth, and Mr. John Connor.

Both the Library and the Branch observed book week with interesting displays of books for both children and adults.

During the Christmas season both the libraries were attractively decorated with lights and greens.

ISABEL H. GRIMES,
Secretary.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the Town of Boscawen qualified to vote in district affairs:

You are hereby notified to meet at the Main Street School in said district on the eighteenth day of March 1950, at 2:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will elect to approve of the inclusion of its officers and employees (other than those eligible under the Teachers Retirement System) in the Employees' Retirement System of the State of New Hampshire, which system is provided for by Chapter 27-A of the Revised Laws, as inserted by Chapter 183 of the Laws of 1945, and as provided by chapter 201 of the Laws of 1945 and any subsequent amendments thereto.

10. To see if the district votes in the affirmative on the preceding article, to see if the district will vote to raise and appropriate the sum of thirty-two dollars, eighty-one cents ($32.81) for the purpose of providing funds for the district's contribution to said retirement system for the coming year.

11. To see if the School District will vote to raise and appropriate a sum of $2,000.00 (Twenty-hundred Dollars) to purchase a lot located between Gage and Academy Streets, for a school site.

12. To see if the district will vote to raise and appropriate $3,500.00 (Thirty-five hundred Dollars) for the purpose of hiring a teacher, repairing a room at the Main Street School and equipping it with students' chairs and desks, teacher's chair and desk and other necessary equipment.

13. To see if the District will vote to raise and appropriate a sum of $400.00 (Four hundred Dollars) for interior painting, exterior painting, and shingling at the Water Street School.

14. To see if the district will vote to raise and appropriate a sum of $500.00 (Five hundred Dollars) for repairing slate roofing and molding at the Main Street School.

15. To see if the district will vote to authorize the School Board to make application for, and to receive, in the name of the District, such advances, grants in aid, or other funds

for educational purposes as may be forthcoming from the United States of America through the appropriate federal agency or department, and to execute any and all contracts, agreements, or instruments proper and advisable for the purpose of receiving assistance from the Government of the United States of America.

16. To conduct any other business that may legally come before said meeting.

Given under our hands at said Boscawen this twenty-seventh day of February, 1950.

LINCOLN H. ADAMS,
RUBY K. WOODBURY,
CHARLES L. FOOTE,
School Board of Boscawen, N. H.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of the Boscawen School District:

I herewith submit my annual report as your Superintendent of Schools.

The town of Boscawen is faced with serious school building needs. The pressure of increasing enrollment as well as the increasing age of our existing facilities will soon force the community to take some kind of action to solve the school building problem.

Last year a new room was opened up on the second floor of the Main Street School. The lights in this room combined with a fresh coat of paint produced a room which is superior to anything else in the building. In as much as there are still two rooms in the Main Street School with enrollments of approximately 40, we will have to take emergency steps to solve our problem for another year. While it seems highly impractical to do so, we will have to spend some money to fix up the only remaining room in this building as another classroom next year. The room to be repaired is a small room on the first floor. In as much as there are only two windows, natural lighting is entirely inadequate. The room will need to be redecorated and supplied with more lighting fixtures in order to give a minimum standard of artificial lighting. It is probable that the room will have to be re-wired in order to take the increased load.

With this new room in operation we will have in the Main Street School, rooms with grades as follows:

Grade 1
Grade 2
Grade 3 & 4 combination

Grade 4 & 5 combination
Grade 5 & 6 combination
Grade 7
Grade 8

New lights and paint are also needed throughout the rest of the building. From any point of view, educational or sanitary, it is necessary to spend considerable money on the installation of new lights, new plumbing, new furniture, etc. Even if new lights were used for a year or two, I am sure that the decrease in eye fatigue and the improvement in the teaching-learning situation would be worth the expense. However, if there is any possibility that the town will vote to build a new building at any time in the near future it does seem impractical to put a great deal of money into any of the schools.

It is not necessary for me to dwell upon the extreme age and condition of our buildings. It is true that we could go on using the buildings for a number of years, but I am sure that most parents are not willing to do this without major renovations. Even the major renovations of lights, plumbing, redecorating, etc. do not take care of the need for more playground space, more natural lighting in our rooms, a cafeteria, shop, home economics room, playroom, or auditorium.

As we are now organized, it is almost impossible to operate a school lunch program. Since our income tax dollars are used to support the United States Department of Agriculture Program and the National School Lunch Program there is no reason why we cannot give our children the same benefits as children throughout the country are receiving now. Nearly all up to date school programs make extensive use of audio-visual aids. Without a play room, auditorium, or insulated class room equipped with dark shades it is difficult to carry out an adequate visual education program. At the present time we have no room large enough for this program, or equipment for this program.

It would take considerable time to go on and point out all the deficiences in our present program. I think it will suffice to say that our buildings may have long since outlived their degree of maximum usefulness. There have been so many improvement in the standards of education, so many improvements in school building construction, so many improvements in school lighting, school furniture, etc. that our buildings have become greatly outmoded. Old school houses and old automobiles are somewhat alike. In the course of ten years there are so many improvemnts in automobile designs that a car becomes inefficient. Similarly a school house approximately 100 years old cannot possibly be expected to house a modern educational program.

If we are to give our children even the minimum advantages shared by the majority of the children in the nation today, we must face the fact that we have got to spend a large sum of money for renovations, or new construction.

It is natural for us to be cautious over the great expense of new buildings. However, I am sure that our forefathers who built the present buildings were faced with a problem equally as great. The sturdy pioneers of Boscawn left us a valuable and treasured heritage. I do not believe that the people of Boscawen will willingly allow their children to continue to attend substandard schools.

In the school warrant for this year is an article: "To see if the School District will raise and appropriate a sum of $2,300.00, (twenty-three hundred dollars) to purchase a lot located between Gage and Academy streets, for a school site." I sincerely hope the voters in Boscawen will take favorable action on this and will call a special meeting, or at their next annual meeting follow up this action with a definite proposal to build a building. According to the best estimates of school architects today, it will cost approximately $15,000.00 per room to build a new building. This will mean $120,000 expense if we are to build a single unit large enough to house our present enrollment. In fact

one of our old buildings may well have to be continued in use for overflow purposes. It may be that the town will want to embark upon only a part of this building venture at one time. It could be completed at a later date along with the construction of a playroom, cafeteria or auditorium.

Whatever the solution to our school needs, the voters are faced with a momentous decision which will influence the town for a long period of time. We need the interest and support of every citizen. Every one should become familiar with the condition of our present buildings, what an adequate school program is like, and what can be done to achieve that program.

Like all problems of this nature there is no one perfect solution. It is never possible to have complete unanimity of opinion in regard to a community problem of this nature. However, the solution can and will be solved democratically and to the satisfaction of the majority of the voters.

Let us not allow minor differences of opinion handicap another generation of Boscawen children. We in New England can no longer stand on the laurels of an honored tradition. We have for so long been standing in the glorious achievements of our forefathers that we now find ourselves eclipsed by the progress of other areas in our country. Only clear vision and a strong faith in the future can pull us out of the shadow.

I want to thank the School Board, the teachers and the voters of the Boscawen School District for their help during this school year. We must all work together to secure the best education for our children. I deeply appreciate the support and cooperation of the teachers, school board and citizens of Boscawen.

Respectfully submitted,

RICHARD A. MARTIN,
Superintendent of Schools.

February 17, 1950.

SCHOOL BOARD'S ESTIMATE FOR 1950-1951

School Board's statement of amount required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1950:

THE "NO SCHOOL" SIGNAL

Two strokes of the fire alarm bell given three times (2-2-2), and the same number of blasts of the siren on Torrent Hose House, is the signal for closing school for one session. Its meaning depends upon the time of sounding.

When sounded at 7:30 in the morning, ALL SCHOOLS in Penacook and Boscawen will be closed for the forenoon session.

When sounded at 11:45 ALL SCHOOLS will be closed for the afternoon session.

Announcement will be made over radio station WKXL at 7:15 and on subsequent announcements of the station.

REPORT OF THE BUILDING COMMITTEE

The committee elected last year to continue the study of consolidating schools and to study site plans, and construction of a new plant submit the following report.

We have met at various times with the school board and have been confronted with the serious problems which exist at the present time—extremely crowded rooms and very poor lighting in the majority of rooms, more particularly the Main Street School.

The third, fourth, fifth and sixth grades—now in two rooms—seem to be the most crowded and this condition will likely continue unless some action is taken to relieve it. The enrollment next year is estimated at 75 for the above mentioned grades. We find this condition can be avoided by repairing and opening a room which is now vacant. This will facilitate the use of three rooms for the above grades and give each room an approximate enrollment of twenty-five pupils, and still allow room for additional pupils if the need arises.

We also find that all rooms, with exception of one, are in great need of painting and better lighting.

The study of site, plans, and construction has been continued with some progress being made along these lines, but as yet no definite figure has been obtained from any one architect.

As to site, one party was contacted but to no avail, since the sale of land would jeopardize his property and business carried on there. Another site between Academy Street and Gage Street has been investigated by the committee. We find that this site composed of three different lots of land can be purchased for $2,000.00. An article has been placed in the Warrant to see if the district will vote to raise and appropriate a sum of $2,000.00 for the purchase of these lots.

We have made a study of building construction, being greatly assisted by Mr. Paul Farnum of the State Board of Education. A most constructive talk was presented by Mr. Farnum in January and the following information was obtained from his experience with other communities—a one-story flexible building of the types we have discussed would cost a minimum of $15,000.00 a room. After considerable study of the size of construction of a new plant, we find that a school of eight rooms for eight grades would be appropriate for our conditions. This building should have the following characteristics — one floor construction and built so that additional rooms could be attached should the need arise. It should have all modern lighting facilities, adequate artificial lighting for dark days as well as glass-block walls and steel frame windows for adequate natural lighting.

After summing up the figures given to us by the State Board of Education, we find that the approximate cost of this type of building would be $120,000.00. At the present time there are no funds available from state or federal sources for constructing schools.

After making considerable study of the conditions of the present facilities we recommend the following:

1. That the vacant room at Main Street School be painted and equipped to as near standard as possible and a teacher hired for that room.

2. That all rooms needing paint and lighting changes shall have them.

3. That a committee be elected to continue the study of site, building plans, costs, etc. and that they submit a report on or before the next annual meeting.

ROGER C. SANBORN,
LAWRENCE A. YOUNG,
CHARLES C. FRENCH,
IYLA BARTLETT,
The Committee.

Warrant for the Penacook & Boscawen Water Precinct Meeting 1950

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Penacook and Boscawen Water Precinct qualified to vote in Precinct affairs:

You are hereby notified to meet at the Boscawen Town Hall in said Precinct on the 30th day of March next at 7:30 o'clock in the evening to act upon the following:

1. To hear the reports of Precinct officers and pass any vote relating thereto.

2. To choose all necessary Precinct officers for the ensuing year.

3. To raise and appropriate such sums of money as may be necessary to defray Precinct charges for the ensuing year.

4. To raise and appropriate a sum not exceeding Five Thousand Four Hundred Dollars ($5,400.00) to defray extraordinary Precinct expenses incurred during the years 1948 and 1949 with reference to the new cast iron water main.

5. To raise and appropriate a sum not exceeding One Thousand Five Hundred Dollars ($1,500.00) on account of legal expenses.

6. To authorize the Precinct Commissioners to cause to be constructed a suitable ten-inch cast iron water main on Crescent Street approximately 600 feet in length, and for that purpose to appropriate a sum not exceeding Five Thousand Dollars ($5,000.00); and to raise said sum by au-

thorizing the Precinct Commissioners to borrow the same in the name of the Precinct by the issuance of serial notes or bonds as provided in Chapter 72, Revised Laws, as amended, and Chapter 390, Laws of 1949, and for this purpose to authorize the said Commissioners and Precinct treasurer to determine the time and place of payment and rate of interest of such notes or bonds and to provide for the sale of the same.

7. To authorize the Precinct Commissioners to cause to be constructed a suitable six-inch cast iron water main on Academy Street approximately 900 feet in length, and for that purpose to appropriate a sum not exceeding Eighteen Hundrd Dollars ($1800.00) ; and to raise said sum by authorizing the Precinct Commissioners to borrow the same in the name of the Precinct by the issuance of serial notes or bonds as provided in Chapter 72, Revised Laws, as amended, and Chapter 390, Laws of 1949, and for this purpos e to authorize the said Commissioners and Precinct Treasurer to determine the time and place of payment and rate of interest of such notes or bonds and to provide for the sale thereof.

8. To authorize the Precinct Commissioners to cause to be purchased, installed, erected and constructed a suitable steel reservoir or tank for the water system of the Precinct, and for that purpose to appropriate a sum not exceeding Twenty-two Thousand Dollars ($22,000) ; and to raise said sum by authorizing the Precinct Commissioners to borrow the same in the name of the Precinct by the issuance of serial notes or bonds as provided in Chapter 72, Revised Laws, as amended, and Chapter 390, Laws of 1949, and for this purpose to authorize the said Commissioners and Precinct urer to determine the time and place of payment and rate of interest of such notes or bonds and to provide for the sale thereof.

9. To authorize the Precinct Commissioners to borrow

money in anticipation of Precinct taxes and revenues for the ensuing year, said loans to be payable from taxes and other revenues for the year 1950, and to issue notes therefor at such rate of interest and payable at such time, within one year, and place as the Precinct Commissioners shall determine.

10. To transact such other business as may lawfully come before said meeting.

Given under our hands and seal this 2nd day of March, 1950.

CLYDE G. FAIRBANKS,
WALTER E. MARSHALL,
NATHANIEL FLAGG,
Precinct Commissioners.

AUDITORS' REPORT

This is to certify that we have verified the records of the Treasurer for the Penacook-Boscawen Water Precinct in-so-far as Total Cash Receipts and Cash Disbursements for the year ended December 31, 1949, are concerned.

CONSTANTINE R. EGOUNIS,
FRANCIS H. GRANT,

Auditors.

REPORT

of an audit and examination

of the accounts of the

Penacook & Boscawen Water Precinct

made by

The Division of Municipal Accounting

State Tax Commission

May 25 — June 3, 1949

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

June 16, 1949.

Board of Commissioners
Penacook & Boscawen Water Precinct
Boscawen, New Hampshire

Gentlemen:

In accordance with the vote taken at your annual meeting an audit and examination of the accounts of the Penacook & Boscawen Water Precinct has been made by this Division. This consisted of an examination of the books and records for the period from 1942 to 1948, inclusive. The records which were available for the audit were as follows:

1942-1943—Book record only.
1944—Book record and supporting vouchers.
1945-1948—Book record, supporting vouchers and treasurer's checks.

Exhibits as hereafter listed are included as part of the report.

Exhibit A—Comparative Balance Sheets:

Comparative Balance Sheets for the ten year period ending December 31, 1948, are presented in Exhibit A. As indicated therein the Net Debt of the Precinct increased during this period from $2,385.49 to $88,232.99.

Exhibit B—Statement of Outstanding Indebtedness:

A statement of outstanding indebtedness, as of December 31, 1948, is included in Exhibit B. Indicated therein is the original amount and date of each issue, the dates on which principal and interest payments are due and the annual maturities of principal and annual interest payments. As shown by this statement there were outstanding long

term serial notes amounting to $78,000.00 on December 31, 1948. The total interest on these outstanding notes to date of final maturities will amount to $9,281.25.

In addition to the long term notes there was a temporary loan in the amount of $11,000.00 outstanding on December 31, 1948, which was due in 1949.

Exhibit C—Summary of Serial Notes and Bonds Issued and Paid:

In Exhibit C there is shown a detailed account of each issue of notes or bonds from 1933 to 1948, inclusive. The date and amount of issue, term of notes and payments made thereon are indicated.

Exhibit D—Classified Summary of Receipts and Expenditures:

A classified summary of the receipts and expenditures of the Precinct for the fiscal years 1942 to 1948, inclusive, is contained in Exhibit D.

Exhibit E—Proof of Treasurer's Balance:

Proof of the Treasurer's balance, as of December 31, 1948, is indicated in Exhibit E.

GENERAL COMMENTS

Classification of Accounts:

During the period under review no book was maintained for the classification of expenditures. In order to arrive at the figures as presented in Exhibit D, it became necessary to classify each voucher as it was checked, inasmuch as the cash book simply recorded the vouchers and checks in numerical order.

Water Accounts Receivable:

The accounting system for controlling water rents receivable, while adequate, had not been properly maintained. This was principally due to the absence of dates in recording credit entries. For this reason it was impossible to accurately determine the amount of accounts receivable as of December 31, 1948. The day, month and year should always be

indicated when payments are credited on the individual account cards.

Cash Book for Treasurer:

It is recommended that the Precinct Treasurer maintain a cash book in which each individual water rent or other collection should be recorded separately. From this book postings may be made to the controlling water rents receivable accounts.

Precinct Budget:

It is recommended that the Precinct adopt the use of a budget which will be similar in form to the Town budget. The classification of revenue, expenditure and appropriation items in the budget should be the same as in the accounting system. There should be three columns, besides the item column, on each of the revenue and expenditure sides of the budget. These would be headed as follows:

Sources of Revenue	Estimated Revenue **Prev. Yr.**	Actual Revenue **Prev. Yr.** Actual	Estimated Revenue **Ensuing Yr.** Estimated
Purposes of Expend.	**Prev. Yr.** Appropriations	**Prev. Yr.** Expend.	**Ensuing Yr.** Expend.

The difference between the estimated expenditures and the estimated revenue would determine the amount necessary to be raised by Precinct tax.

Conclusion:

We extend our thanks to the officials of the Precinct for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,
Director
Division of Municipal Accounting
State Tax Commission

Herbert E. Hunt, Auditor
C. David Sullivan, Accountant
